

Singapore–Australia Maths Teacher Exchange **Study Tour to Singapore**

The Australian Association of Mathematics Teachers (AAMT) is pleased to offer a unique opportunity for Australian mathematics educators to undertake professional exchange with their peers in Singapore. The first exchange will take place from 7–14 April 2019, with a study tour for Australian participants to Singapore.

7 April	Fly to Singapore
8 April	Workshops at the National Institute of Education <ul style="list-style-type: none"> ■ Maths education in Singapore ■ Creative teaching in algebra ■ Maths in the real world context Welcome dinner
9 April	Workshops at the Academy of Singapore Teachers <ul style="list-style-type: none"> ■ The Singapore Curriculum ■ Professional development in Singapore ■ Teaching practices, pedagogies and strategies Optional leisure activity
10–12 April	School placement Participants are partnered with a buddy teacher in a Singapore secondary school for immersion in local teaching practice and professional exchange with the school mathematics faculty.
12 April	Closing dinner and night safari at the Singapore Zoo
13 April	Workshop: <ul style="list-style-type: none"> ■ Reflections, learnings and implications for teaching in Australia Optional visits to local sights
14 April	Return flight

Costs

The cost of participation is \$2200 including hotel accommodation, breakfasts, workshops, and transport for arranged activities and organised dinners. Participants will need to arrange their own flights, and manage general expenses such as MRT transport, lunches and dinners (if not in the program) and sightseeing tickets (except the Friday safari).

Bookings

For further information or to book a place on the study tour please contact Helen or Mary at AAMT.
